ORIGIN

1. Derenicz claims that he is responsible for the idea of establishing a barter trade between Poland, Czechoslovakia, the USSR and China. The present situation in China, in which the United States is losing her favorable trade position, has created opportunities which can be utilized readily by Poland and the USSR.
2. The present aim of Poland and the Soviet Union is to capture Chinese markets by establishing barter trade between China and the USSR. Thus there will be no difficulties with foreign exchange.
